## Board Accepts Mobile Medical Clinic Donation

**SAN BERNARDINO** – On Tuesday, the Board of Supervisors accepted the donation of a mobile medical clinic worth nearly \$400,000 from the Arrowhead Regional Medical Center Foundation.

Arrowhead Regional Medical Center (ARMC) will use the mobile clinic to provide primary preventative healthcare as well as health education to uninsured and under-insured residents. ARMC expects to serve about 8,640 patients annually using the mobile clinic.

“The mobile clinic is a great addition to the arsenal ARMC staff uses on a daily basis to address community health needs, and I’d like to personally thank the hospital foundation for this very generous and useful donation,” said Board of Supervisors Chairman Paul Biane.

The mobile clinic will be in use Monday through Friday, except holidays, for about six hours a day. The clinic can also be used for various health-related events regularly held throughout the County, including the Second District Health and Safety Fair, which attracted several thousand residents to Jack Bulik Park in the City of Fontana on June 14.
